1. Polls vs. Kalshi and Polymarket: 371 latest polls, 2026 Senate and Governor races

Each row is a pollster's latest general-election poll ending Sep 8–Nov 2, 2026, in one of the 2026 Senate and Governor races, compared with the Kalshi and Polymarket win probability for the Democratic candidate (Osborn, independent, in Nebraska's Senate race) at the hour shown, normally 11 pm ET on the poll's last field date. A market favorite is the side above 50%; a poll leader is the candidate ahead in the poll, and a tied poll makes no call. Results: called races as of Nov 16, 2026; 10 Alaska Senate polls (race not yet called) are excluded. One Kansas Senate poll (YouGov) had Polymarket at exactly 50%, shown as Tie and not counted as correct. Market favorite or poll leader wrong shown in red. 2. Kalshi trading volume before polls closed, by race

The 31 Senate and Governor races in the poll comparison, ranked by Kalshi contracts traded before 6:00 pm ET on Nov 3 (before any polls closed): all-time volume minus hourly volume after 6 pm. Win probabilities are the normalized last prices at 6 pm; the favorite is the side above 50%. Winner D/R (Nebraska Senate: D = Osborn, independent). Results as of Nov 16, 2026; Alaska Senate not yet called. Sources: data/volume_accuracy.csv (Kalshi API, pulled Nov 17) and the "Race comparison" tab of polls_vs_markets_2026.xlsx.

3. Every Kalshi race: did the favorite win, and was the race polled?

Every 2026 race with a Kalshi market for the House, Senate, Governor, Attorney General, Lieutenant Governor and Secretary of State (572 races; 563 with markets). Favorite = highest normalized price at 6:00 pm ET Nov 3. Winner = Kalshi's own settlement, as of Nov 16, 2026; the 13 races Kalshi had not settled are excluded, leaving 550. Polled = Wikipedia's page for the race lists at least one general-election poll of the matchup (hypothetical matchups excluded). Kalshi's own recap claimed 479 of 487 races resolved by 6:00 am ET Nov 4; this count covers later settlements too. The 27 misses are listed first. Source: kalshi_races_poll_coverage_2026.xlsx.
